NO.	Number	Cross name	Price	Qtt.		description
Paph. spices & Multiflora						
F100	TB22-201	Paph. sanderianum x sib ('Shin-Yi' SM/TPS x 'Burning Red' (2021-800))	350	3		It is a cross between a Taiwanese prize flower 'Shin-Yi' SM/TPS and a beautiful individual 'Burning Red' with a reddish-purple petal color.
F104	TB22-234	Paph. henryanum (Half album) x sib ('21.10.01 A' x '21.10.01 D')	250	3		henryanum's Half album sibling. Both parents are big flowers, so you can expect a great album. I think the probability of an album is 1/4 to 1/16.
F105	TB22-239	Paph. exul x sib (half-album '2022-34' x album 'Majestic Yellow' (2022-32))	400	3		It will be a cross between Exul's half album and album. This generation also grows considerably in flower size, and you can expect a splendid album. I think the probability of an album is 1/2 to 1/16.
F106	TB22-261	Paph. exul x sib (half-album '2022-33' x album 'Majestic Yellow' (2022-32))	400	5		It will be a cross between Exul's half album and album. This generation also grows considerably in flower size, and you can expect a splendid album. I think the probability of an album is 1/2 to 1/16.
F109	TB22-300	Paph. charlesworthii x sib ('Pinkie' (2021-695) x 'Humongous' (2021-694))	150	3		It is a cross between a very large Humongous and a well-shaped Pinkie. It will bloom a lot of flowers that are in good shape
F110	TB22-302	Paph. charlesworthii x sib ('Devil Red' (2021-715) x 'Humongous' (2021-694))	200	5		The most anticipated charlesworthii, which is a cross between a very large Humongous and a dark pink Devil Red.
F118	TB22-285	Paph. fairrieianum '2021.12.23.B' x Grandtrix '2021-960' (Magic Grand x S.Gratix)	200	3		I'm aiming for a type of flower that is larger and darker in color than Iona (bellatulum x fairrieianum). Since it is close to one generation crossing, I think it will have a high probability of good flowers.
F169	TB22-258	Paph. emersonii x sib ('Giant Swan' (2022-407) x 'Super')	250	5		A cross between the largest emersonii. I think the flowers of this hybrid will be large and well-shaped.
F189	VS23-10	Paph. Grandtrix (Magic Grand x S.Gratix) x sib ('WEA1945' x '2022-397') 25Plants/Flask	250	3		This is a bellatulum type Brac that is over 11cm long. This cross is a promising cross both in shape and size.
F190	VS23-07	Paph. Grandtrix (Magic Grand x S.Gratix) x sib ('2022.02.25.A' x 'WEA1839') 25Plants/Flask	300	3		It is an easy variety to cultivate in the Brac lineage. I think this generation will bloom a lot of round flowers over NS10 cm.
F191	VS23-08	Paph. Grandtrix (Magic Grand x S.Gratix) x sib ('WEA1933' x '2022-397') 25Plants/Flask	250	3		This is a bellatulum type Brac that is over 11cm long. This cross is a promising cross both in shape and size.
Paph. White & Pink						
F124	TB22-282	Paph. Stardust Knight 'White Wonder' (Icy Icy Wind x Elfstone) x Stone Lovely 'Shrex'	500	2		Stardust Knight is a pure white individual with a good shape over NS15 cm. We crossed our best green parent, Stone Lovely 'Shrex'. The results will be fantastic.
F125	TB22-306	Paph. Double Up 'Green Pepper' x (Snow Tiger 'Saltin Pepper' x Ice Age) 'Dominas' (2020-610)	350	5		You can expect flowers with a good white to pink shape. Dominas has some of the best white-flowered parents, such as Friendship (Winbel x niveum) and Ice Castle.
F126	TB23-08	Paph. (Snow Tiger 'Saltin Pepper' x Ice Age) 'Dominas' (2020-610) x Stone Lovely 'Shrex'	400	3		Dominas is made up of numerous white-flowered parent flowers, and is the dreamy cross of the best mating parent Shrex.
F127	TB23-29	Paph. Galaxy Stone 'Future World' (2019-787) x Star Stone (Telstar x Stone Lovely) 'Pretty'	500	5		We have high hopes for it as a hybrid of Galaxy Stone. I think that from this cross there will be a lot of flowers that surpass the Galaxy Stone.
F128	TB23-31	Paph. Premium Magic 'Crystal White' (2020-87) x Stone Lovely 'Shrex'	500	2		It is a cross between Premium Magic and Shrex, one of the mating parents along with Galxy Stone. You can expect beautiful white & pink flowers that are more cohesive in shape than Premium Magic.
F129	TB23-40	Paph. (Snow Tiger x Mac) 'Odyssey' x (Snow Tiger 'Saltin Pepper' x Ice Age) 'Dominas' (2020-610)	350	3		It is a cross between individuals with Snow Tiger on both sides. You can expect beautiful white and pink flowers. It is also promising as a mating parent for the next generation of white & pink.
F130	TB23-75	Paph. (Snow Tiger x Ice Age) 'Galaxy' (2021-57) x Stone Lovely 'Shrex'	400	2		It is a cross using the Galaxy of the Dominas brothers. You can also expect beautiful white and pink flowers from this crossbreed.
F131	TB23-76	Paph. Majestic Snow 'White Pepper' (2021-58) x Stone Lovely 'Shrex'	500	3		This is a cross aimed at the largest white flowers in this list. You can expect larger, rounder, and more well-formed flowers than Majestic Snow.
F132	TB23-77	Paph. Pacific Ice (Emerald Crazy x Ice Castle) '2022-185' x Stone Lovely 'Shrex'	300	2		It will be the third generation of Ice Castle. I think there will be a lot of large, well-shaped flowers.
F171	TB23-64	Paph. Double Up 'Embassy' x Premium Pink 'Honey Angel' SM/JOGA	350	2		The latest white & pink hybrid using the very precious Premium Pink (Tengo of Lambert x Stone Lovely).
F192	TB22-250	Paph. Galaxy Stone 'Future World' (2019-787) x Stone Lovely 'Shrex'	500	3		We have high hopes for it as a hybrid of Galaxy Stone. I think that from this cross there will be a lot of flowers that surpass the Galaxy Stone.

Paph. Yellow & Green

F135	TB22-271	Paph. Atlantic Stone x sib ('Mega' (2021-922) x 'Kaoru')	350	5		Sibling the best Atlantic Stone to each other. I think that green flowers with a very good shape will bloom from this hybridization.
F136	TB22-272	Paph. Double Up 'Jupiter' x Atlantic Stone 'Sun Rise'	200	5		Dorsal expects white and large flowers. I think it will be a flower with good petal quality and good shape.
F137	TB22-283	Paph. Golden Green (Golden Island x Hamana Egret) 'Amarillo' (2018-195) x Atlantic Stone 'Sun Rise'	250	2		It will be a cross between the green Golden Gate of Japan and the green flower of Atlantic Stone. Since it is a cross between soft and hard flowers, I think that when fused, it will produce large flowers.
F138	TB23-11	Paph. Atlantic Stone 'Snu Rise' x Double Emerald 'Brutus' GM/JOGA	350	5		In this list, it is the most anticipated yellow-green cross. The mating parents are famous flowers such as Emerald Sea, Pacific Shamrock, Crazy Horse, and Stone Lovely.
F139	TB23-28	Paph. Giant Star 'Elegance' (2019-781) x Atlantic Stone 'Elegance' (2021-943)	300	5		It is a cross between Giant Star (Giantstone x Amarillo Star), which has large flowers and a strong yellow color, and Atlantic Stone, which has a thick petal texture and a good shape.
F140	TB23-65	Paph. Double Up 'Neptune' x Star Stone (Telstar x Stone Lovely) 'Pretty'	200	5		Both of its parents are descended from Yerba Buena 'White Cap'. It features a large white dorsal with beautiful green petal and lips.
F142	TB23-84	Paph. Atlantic Stone x sib ('Gargantula' (WEA1736) x 'Elegance' (2021-943))	350	10		Sibling the best Atlantic Stone to each other. I think that very large green flowers will bloom from this cross.
F172	TB23-63	Paph. Giant Shell 'Big Barn' (2024-6) x Atlantic Stone 'Excellent'	300	4		Giant Shell is a descendant of Giantstone and has large, graceful yellow flowers. Atlantic Stone is also part of the Giantstone family. The combination of these two flowers is the best.
F173	TB23-66	Paph. Double Up '2021-575' x Enzan Summer Girl 'Kokushi'	300	2		Both parents of Double Up will be based on The Orchid Zone. Enzan Summer Girl is a crossbreed unique to Japan. I think it will be an interesting combination.
F174	TB23-81	Paph. Pacific Lake '2019-739' x Atlantic Stone 'Gargantula' (WEA1736)	300	3		There is a beautiful yellow Amarillo Star on both sides. Amarillo Star is a child of Pacific Shamrock. Atlantic Stone children have well-shaped emerald flowers.
F175	TB23-82	Paph. Atlantic Stone x sib ('Elegance' (2021-943) x 'Gargantula' (WEA1736))	350	4		It will be sibling of Atlantic Stone. This is the best hybrid of the green variety. There is a high probability that good flowers will bloom.
F176	TB23-83	Paph. Amarillo Star 'Star Chamber' x Atlantic Stone 'Elegance' (2021-943)	350	3		This is a backcrossing Amarillo Star to Atlantic Stone. You can expect wonderful yellow flowers.

Paph. Red & Spot

F146	TB22-308	Paph. Frank Pearce 'Downland'AM/RHS (2018-545) x Ruby Freezing 'Fusion' (Ruby Doll x Flame Freezing) (2022-31)	250	3		Crossing of Frank Pearce and red-flowered Ruby Freezing. The purpose is to aim for red flowers.
F147	TB23-15	Paph. (Morning Dew x Jenna Marie) '2022-25' x Ruby Freezing 'Fusion' (Ruby Doll x Flame Freezing) (2022-31)	250	5		It is aimed at red flowers that are dark red and have a good shape. I think the color is good.
F149	TB23-54	Paph. Majestic World 'Salinas' (Spotted Emerald type) x Thunder World 'Nissho' GM/JOGA	400	3		It is a cross between Majestic World, with a green Dosal, and Thunder World. Expect the best flowers of the dot flower.
F150	TB23-56	Paph. (Across World x Spotted Dust) '2021-970' x Thunder Records 'Superb'	250	5		Black dots on white dorsal. I'm aiming for the beautiful flowers of the lips in the petal that is grouped all over.
F151	TB23-57	Paph. Club World 'Tokyo' SM/JOGA x Thunder Records 'Superb'	300	3		It is a cross aimed at beautiful British point flowers. Thnuder Record's children have a lot of beautiful dot flowers.
F152	TB23-59	Paph. (Across World x Spotted Dust) '2022-27' x Ruby Freezing 'Fusion' (Ruby Doll x Flame Freezing) (2022-31)	250	3		It is a cross that aims for a clean red flower with a good color shape that does not become cloudy.
F153	TB23-61	Paph. Red Emperor 'Ember' x Ruby Freezing 'Purple Red' (Ruby Doll x Flame Freezing) (2022-30)	250	3		Red Emperor (Chikisani x Mem. Sabrina Mark) crossed with bright red Ruby Freezing for a well-shaped red flower
F177	TB23-36	Paph. Specific World '2021-962' x Majestic World 'Future World' (2017-168)	350	3		Specific World is a cross between Small World and Neo World. Majestic World is part of the Thunder World series. I think the flowers will bloom with nice colors and shapes.
F178	TB23-53	Paph. Millennium Thunder 'Deep Sea' (2022-100) x World Buster (Blockbuster x Thunder World) 'Perfection'	350	5		This is the grandson of Millennium 'Diabolo'. This flower is expected to have the good shape of the Thunder World type and the big points that come from Diabolo.
F179	TB23-55	Paph. Millennium Thunder 'Legacy' (WEA1406, 2021-633) x Thunder Soul (Mem. Sabrina Mark x Allegro) 'Mega' SM/JGO2022 Trophy	400	2		This will be the first crossbreeding of Thunder Soul. I think it goes perfectly with Millennium Thunder.
F180	TB23-58	Paph. (Morning Dew x Jenna Marie) '22.01.10.A' x Ruby Freezing 'Fusion' (Ruby Doll x Flame Freezing) (2022-31)	250	3		The latest hybridization of red flowers. You can expect flower open well and large red flowers. The color and balance are great.
F181	TB23-60	Paph. (Morning Dew x Jenna Marie) '22.01.10.C' x Ruby Freezing 'Purple Red' (Ruby Doll x Flame Freezing) (2022-30)	250	3		The latest hybridization of red flowers. You can expect flower open well and large red flowers. The color and balance are great.
F182	TB23-62	Paph. Heatwave 'Red Challenger' (Phantom x Algonquin) (2021-969) x Ruby Freezing 'Purple Red' (Ruby Doll x Flame Freezing) (2022-30)	300	3		Both parents produce flowers of the Orchid Zone type. I look forward to the next generation of Red flower
F183	TB23-91	Paph. Mem. Sabrina Mark 'No.8' (WEA1782) x Iron Man (Millennium x Independence) 'Monarch' (2022-110)	300	5		It is a cross between Mem.Sabrina Mark, an American breed with a good color, and Iron Man, a German breed with a large spot. It seems that the next generation parent stock can be created.
F184	TB23-92	Paph. Perfect World 'Dominas' x Iron Man (Millennium x Independence) 'Monarch' (2022-110)	300	5		Perfect World is the best spot flower of the American variety. Iron Man is the latest German spot flower. I think it's a great combination.

C.
